

2025 Volunteer Opportunities

At the FedEx St. Jude Championship, each of our 1500+ volunteers are assigned to a committee for tournament week. Opportunities range across five different divisions:

- Hospitality Services

- On Course Operations

Please read the following document to learn about the different volunteer positions. It is important to note that committees are filled on a first come, first serve basis, with 2024 returning volunteer having priority. As a result, not all committees listed will be available for new volunteers.
